NOTHING DOING ON LOCAL'CHANGE

Trading Lower for the Past Week Than Any During the Year.

SALT LAKE, Oct. 1 .- Trading on the local stock exchange was as low if not lower for the past week than during any week this year. Scarcely enough was done to talk about. The total sales for the week amounted to 241,167 shares, for which \$67,084.59

as paid.
Trading on the board this morning was the best it has been in the pas two weeks. Colorado and Iron Blos som were much stronger, while Sioux Consolidated, with a dividend in sight, sold at 27 cents. Iron Blossom reached the new high price of 78 cents this mornong, after being weak for several days. Colorado was sold at 34 and 331/2

Columbus Consolidated was weaker than ever this morning, dropping as low as 37 cents, with no reaction. At present there is no demand for the seeurity and every sale, wash or other-wise, that was made in the stock at market price puts the stock to a lower level. A heavy buying order would send the stock soaring upward. The total number of shares sold this

morning was 27,900, while the amount paid out was \$9,524.

paid out was \$9.524.

It was wash day for Opex on the curb market this morning, and the stock dropped lower in chunks. The sales on the curb market were 500 shares of Opex at 31 cents, 1,500 at 30½, 5,800 at 30, and 900 at 29. Apparently the bull market in this stock is exting ready for action. is getting ready for action.

I cannot be thankful enough for what the Orange Blossom Suppository has done for me. I was a chronic suf-ferer for five years with abscess of the womb, could not ride or walk at all, was greatly reduced and only weighed 124 pounds. I learned of Orange Blossom Suppository and gave it a trial, was relieved from the first, have used nearly two boxes and am a well woman, weigh 160 pounds and do all my own housework. Would advise all sufferers of female weakness to try the Orange Blossom Suppository. Yours very sincerely,

Stone himself sustained fractures of both legs and internal injuries from which it is doubtful if he will recover.

Chevrolet's Mechanician Killed. The killing of Louis Chevrolet's mechanician, Charles Miller, came as the climax of a mad attempt of Chevrolet to regain a lead lost through frequent magneto and tire trouble.
